Gregory Bischoff

September, 2014

Dear Friends,

We have been working hard on establishing a method/process by which the official Town of Rensselaerville Newsletter will be re-instated. The most practical and economical way to do this is to have the newsletter circulated via email and then also have a few paper copies available at the Recycling Center, the Rensselaerville Library, the Medusa General Store, and the Hilltown Cafe' for those who do not have e-mail.

The newsletter will consist of draft Town Board minutes, government contact information, and a calendar of events for non-profits, fire departments, and ambulance corps. Events may be sent to [townclerk@rensselaerville.com](mailto:townclerk@rensselaerville.com).

In order to move ahead with this plan, we need your signature giving us permission to enter your email address into the computer listing for the newsletter. We will only be able to do one e-mail per household.

Please fill out the section below and mail it or return it to the Rensselaerville Town Hall, Attention: Marion Cooke, 87 Barger Road, Medusa, NY 12120, or email to [sbritton@rensselaerville.com](mailto:sbritton@rensselaerville.com).

Thank you for your cooperation in this matter. With your assistance, we look forward to the completion of this project in the very near future. If you would like to help with this project in any way, please indicate that below and someone from the committee will gladly contact you.

Sincerely,

Town of Rensselaerville Town Board
