

The Town is organizing a Volunteer Day on September 19, 2020 at the Potters Hollow Rural Cemetery.

A section of the stone wall at the Potters Hollow cemetery was damaged by an automobile recently. Many interested citizens signed and submitted a letter stating they would like to see it repaired.

Everyone should meet at the cemetery at 9am, when we will re-stack the stones and get the wall back to its original beauty.

If you would like to participate please contact Deputy Supervisor Jason Rauf through email at [JRauf@Rensselaerville.com](mailto:JRauf@Rensselaerville.com)

Thank you!
