

TRAFFIC TICKETS:

If you received a summons for a traffic infraction, follow the instructions on the summons. You may mail the summons to the court before the date on the ticket - enter a plea of guilty or not guilty and mail the summons to the address listed on the summons. If you wish to enter a plea in person, you must appear on the date on the summons. Please be sure that you supply the Court with your current mailing address.

If you enter a plea of guilty, you will receive a fine notice from the Court by mail. If you enter a plea of not guilty you will receive a letter with a new scheduled court appearance date.

All traffic tickets are prosecuted by the Town Attorney.
